

# Fuel Stamp Scheme

## Stamp your way to a warmer home

The fuel stamp scheme is designed to help householders spread the cost of their central heating oil and solid fuel.

### How does the scheme work?

Collect a free fuel stamp collection card from any participating retailer.

Complete the name, address and telephone number section as soon as you receive the card. Stamps costing £5.00 can be purchased from any participating retailer across the district. Once purchased, place the fuel stamps onto the card in the numbered spaces.

### Can I use any fuel stamp on my collection card?

You can only use Mid Ulster District Council fuel stamps or stamps that you have previously bought through the former Cookstown, Dungannon or Magherafelt Council Schemes.

### What do I do when I need fuel?

When you need oil or coal, contact your preferred participating supplier and let them know the amount of oil or coal you require and the value of the stamps you have saved.

The card, either complete or partly complete, can then be used as payment or part payment for heating oil or solid fuel with participating suppliers.

Partly completed cards can be used towards the cost of your fuel. If you use a partly completed card, then the cost of your order should be at least to the value of the stamps you have saved to date.

It is your responsibility to agree with your chosen fuel supplier the price, delivery amount and payment method.

### Where can I purchase stamps?

Stamps can be purchased from any participating retailer. The list of participating retailers and fuel suppliers is available from Mid Ulster District Council.
